

BIO

April W. Mundy AIA, NCARB, LEED AP
Associate | Project Manager

Project Manager April Mundy, AIA, NCARB, LEED AP brings over 20 years of experience at all phases of design and construction. Her extensive portfolio of designs for education includes multi-school designs as well as elementary schools, high schools, CTE schools, and technical college work, including LEED certified and LEED Gold construction. She is also experienced in library, city hall, courthouse, and public works projects as well as commercial interiors. April is well-versed in blending the technical, aesthetic, and functional needs of complex multi-building educational campuses, and has a proven track record for completing projects on time and on budget.

April's passion for professional and community service is evident in her long history of engagement with the AIA and other local organizations. She has served as Treasurer for both AIA Savannah and the Savannah YAF, and is a member of the AIA Savannah High Design Party Committee. She is also Vice Chair of the ACE Mentor Program of Savannah, and she volunteers with Compassion Christian Church, America's Second Harvest Food Bank, Chatham County Little League, and Coastal Empire Habitat for Humanity.
